## SATISFACTORY ACADEMIC PROGRESS PROBATION – ACADEMIC PLAN REVIEW

Name:  ID#   
 Academic Plan (Degree Program):  Semester:

Students who have been approved for **Satisfactory Academic Progress Probation with an Academic Plan** must work with an Academic Advisor to create an academic plan to regain eligibility for financial aid. The Student and Academic Advisor will review program goals and create a specific class plan. This plan will be submitted to the Financial Aid Office and monitored until the student is within satisfactory academic progress.

I acknowledge I am currently \_\_\_\_\_ credits below SAP standards.

Transcripts from prior colleges attended ensure accuracy of your academic plan. If you have credits at other colleges, you will want to consider sending official transcripts to Chandler-Gilbert Community College and having them evaluated. Your academic plan will be based on the information available in the system at the time your plan is created. Additional information processed later may require an updated academic plan.

### Student Acknowledgment

I have reviewed my academic plan and understand that in order to regain financial aid eligibility I need to complete the courses discussed with me. In order to make academic progress towards the completion of my degree I must complete all of the classes I attempt successfully with no withdrawals. Failure to do so will result in loss of financial aid eligibility. ADDITIONAL, SUBSTITUTED or REPEATED classes will NOT be funded UNLESS an ADDENDUM is FILED and APPROVED by submission deadline.
