Academic Honesty/ Integrity: (MCCCD Requirement)

Example: Besides academic performance, students should exhibit the qualities of honesty and integrity. Every student is expected to produce his/her original, independent work. Any student whose work indicates a violation of the MCCCD Academic Misconduct Policy including cheating, plagiarism, and dishonesty will be subject to disciplinary action. Refer to the CGCC Student Handbook for information regarding Academic Misconduct and due process procedures.

Example: Academic Misconduct (from CGCC’s Student Handbook)

A. Academic Misconduct - includes any conduct associated with the classroom, laboratory, or clinical learning process that is inconsistent with the published course competencies/ objectives and/or academic standards for the course, program, department, or institution. Examples of academic misconduct include, but are not limited to: (a) cheating and plagiarism (including any assistance or collusion in such activities, or requests or offers to do so); (b) excessive absences; (c) use of abusive or profane language; and (d) disruptive behavior.

B. Cheating is any form of dishonesty in an academic exercise. It includes, but is not limited to, (a) use of any unauthorized assistance in taking quizzes, tests, examinations, or any other form of assessment whether or not the items are graded; (b) dependence upon the aid of
sources beyond those authorized by the faculty member in writing papers, preparing reports, solving problems, or carrying out other assignments; (c) the acquisition, without permission, of tests or other academic material belonging to or administered by the college or a member of the college faculty or staff; and (d) fabrication of data, facts, or information.

C. Plagiarism is a form of cheating in which a student falsely represents another person's work as his or her own – it includes, but is not limited to: (a) the use of paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment; (b) unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials; and (c) information gathered from the internet and not properly identified.

Any student found by a faculty member to have committed academic misconduct may be subject to the following academic consequences, based on the faculty member’s judgment of the student’s academic performance.

Warning - A notice in writing to the student that the student has violated the academic standards as defined in 1.A.
Grade Adjustment - Lowering of a grade on a test, assignment, or course.
Discretionary assignments - Additional academic assignments determined by the faculty member.
Course Failure - Failure of a student from a course where academic misconduct occurs.

**Conduct:** *(Recommended Information)*

**Example:** You are expected to treat your faculty member and your fellow classmates with respect. In all correspondence whether communicating in person or online, you should show respect for the viewpoints of others who may disagree with you or see things from a different perspective. Criticizing, ridiculing, insulting, or belittling others will not be accepted. Keep in mind that electronic communications do not have the advantage of nonverbal cues that are so much a part of interpersonal communication. Humor or satire can sometimes be misinterpreted in strictly electronic communication forums.

**Activate and Access Your Maricopa Student Email**
The Maricopa District provides every student with google-powered Maricopa Student Email upon enrollment. CGCC uses this official student email to send information concerning class enrollment, financial aid, tuition, and other important student information. Students must activate this email account in order to receive these messages. Activate your Maricopa Student Email now at [http://google.maricopa.edu](http://google.maricopa.edu)

**Netiquette:** *(Recommended Information)*

**Example:**

1. Netiquette refers to the rules of behavior while on the Internet. When interacting within the online course environment, please follow the below guidelines.
2. Show professionalism and courtesy in all communications within the course.
3. No one else should be given access to the course or conferences without the faculty member’s permission.
4. Do not use the words or text from others without acknowledging the source.
5. Humor can easily be misinterpreted within the online environment, please be cautious with the use of humor and use symbols to help prevent misunderstandings. :-) :-(
6. Adhere to the same behavioral standards as you would in a face to face classroom and as is specified in the student handbook.
7. Avoid typing in all capital letters, for those of us using the Internet frequently, this can seem like you are ‘yelling’.
8. Respect other people’s time and contribute thoughtful comments and ideas to the discussions rather than simply making statements such as ‘I agree’.
9. Use correct spelling and grammar. Avoid the use of abbreviations and use spell check within your word processor or within the course to check the spelling of your communications.

**Withdrawing from the Course:** (Recommended Information)

**Example:** There are two kinds of withdrawal: student initiated withdrawal and faculty member initiated withdrawal. You can find the specific withdrawal deadline in the Dual Enrollment Registration Packet. Failing to submit assignments and maintain steady progress will result in withdrawal by your faculty memeber.

**Withdrawal Warning for Non-payment of Fees:** (Recommended Information)

**Example:** Every term, students suddenly discover that they have been DROPPED FROM ALL THEIR CLASSES because they have failed to pay tuition and/or fees. Please log on to your student account at my.maricopa.edu and verify that you have paid all your tuition and fees. If you are dropped for nonpayment, paying your tuition and fees will NOT automatically reinstate you in your classes. Reinstatement can only be done by the Dual Enrollment Department. Also, there is no guarantee of reinstatement after your tuition/fees are paid, so please check your account now to be sure that you are not withdrawn for nonpayment of tuition/fees.

**Computer Lab**

The CGCC Computer Lab is open extended hours to ALL currently enrolled CGCC students. The lab has Windows and Mac computers, scanners, headsets, etc. Staff provide FREE one-on-one walk-in or appointment based assistance with technology questions, Wi-Fi, Canvas, software, and more.
