Airway Science Technology, Flight Emphasis (Track I and III)

APPROVED FUNDING FOR VA FLIGHT TRAINING FOR ACADEMIC YEAR 2018-2019

FLIGHT STANDARDS DISTRICT OFFICE (FSDO)

APPROVED MINIMUM TIMES

PER PART 141 TRAINING COURSE OUTLINES

The following rates and flight hours have been approved for VA funding at the UND Aerospace FTC located at Mesa, AZ. VA will only fund minimum training requirements and students are required to cover additional costs. VA will only cover costs listed for each specific time requirement.

Costs are calculated according to the following hourly rates:

Hourly Rates and Instruction Rates (FY2018 - effective 8/01/2017)					
Aircraft	Rate	ATD	Rate	Instructor	Rate
Cessna 172	\$139.00	Single Engine ATD	\$74.00	Fixed Wing	\$59.00
Arrow	\$189.00	Multi Engine ATD	\$94.00		
Seminole	\$271.00				

FSDO approved minimum times per part 141 training course outlines.

The above estimates represent minimum flight hours to meet Federal Aviation Administration requirements. Students may need additional flight hours to demonstrate competency.
