Chandler-Gilbert Community College (CGC) offers a variety of free notary services to its students, faculty, and staff. Julie and Yvette are commissioned and bonded officials, who are authorized by the state to administer oaths, and affirmations, and to certify the execution of documents. They can also certify that a copy of a document is a true copy of the original. CGC notary services are available by appointment. It is important to note that CGC notary service is limited to the authentication of documents and does not provide legal advice or represent the CGC in any legal matters.
