

Estimated Expenses for Chandler-Gilbert Community College

The approximate cost of one academic year of study (two semesters, approximately 10 months) at Chandler-Gilbert Community Colleges is:

Out of State tuition rate & fees (12 credits per semester):	\$9,115*
Housing & Living Expenses (off campus, 10 months):	\$17,200**
Textbooks and supplies:	\$1,104***
Mandatory health insurance from college	\$2,800
Total:	\$30,219

*The actual tuition and fee amount is based upon a full-time schedule of 12 credits per semester. Therefore, the cost of tuition and fees for one academic year would be \$8,928 (tuition), plus estimated fees for two semesters.

**Housing & Living expenses will vary greatly depending on living preferences, location and other considerations. The \$17,200 is intended to be a rough estimate of costs and not a projected actual cost. Living expenses typically include: rent, utilities, transportation, food and incidental expenses. The estimated range of housing alone can vary from \$1,000 - \$1,400 for a room for rent or a one-bedroom apartment per month to \$2,000 or more per month across the greater Phoenix area. For shared housing, the cost can be lower if accommodations are shared with one roommate or more or if free accommodations are provided by family or a relative(s). Supplemental information on estimated housing and living expenses near each campus will be provided.

*** This amount is based on the consideration that some textbooks will need to be purchased during the period of study. Other options may be available including materials provided by instructors, and/or the option to rent some textbooks. Therefore, the actual amount may be higher or lower than the estimated cost above.

Note: Cost and estimated expenses are subject to change without notice.

Note: Applicants will be asked to provide proof of additional funding for each accompanying dependent (\$5,000 for the first person, \$2,500 for each additional dependent). A dependent is defined as the spouse or child of the F-1 student.
