## **What's happening at New Adventures in Summer 2024**

Preparations are being made for a fun and exciting summer semester. Registration will start at 10 AM on Wednesday, May 22

And will remain open throughout the semester. You will be able to access a list of summer classes shortly by visiting: [newadventures.info](http://newadventures.info).

Whether your interests lie in computers, quilting, languages, vintage aircraft, current events, financial planning or elsewhere, we have something to tempt your intellectual curiosity.

## **Summer Semester**

The Curriculum Guide is now posted so take a moment to decide which classes you would like to take before registration opens on May 22. Remember registration remains open throughout the semester.

## **Fee Structure**

Annual Membership: \$60

Administration Fee: \$20 per semester in which you register for one or more classes.

## **Donations bring lifelong learning to our community**

Donations to New Adventures in Learning, a not-for-profit organization, help support the program from offsetting operational costs to providing financial support to those who cannot afford the annual fee. Mail or drop off our donation at the Sun Lakes Center or on our website using your credit card.

## Our Presenters

Our presenters come from a wide variety of backgrounds and experiences but all have a wealth of information to share. If you have a hobby, special interest, or experience in a topic which you would be willing to share, consider a class or a round table discussion in your field of expertise. Volunteers are available to guide you from idea to successful presentation. For more information, please contact Susan Lockwood Knaus, Curriculum Chair at: [classes@newadventures.info](mailto:classes@newadventures.info).

### Classes

Class formats are both in person at our campus or online via Zoom.

### Membership has Benefits

New Adventures remains a bargain compared to many lifelong learning programs which charge \$40 per class. Since we charge no per class fees your dues and semester fee allow you to take as many classes as you wish at no additional cost. Additionally, with your membership, you receive CGCC student discounts on many college and community activities.

### Come Join the Team!

Would you like to join a fun group of people? We are looking for people who would like to be more involved. There are opportunities for all different levels and types of involvement. Do you enjoy getting out and meeting people or planning social events? We need people to go out to HOA Open Houses and tell others about NAIL. We'd also like to have new member coffees and meet ups. Do you have technical skills? We could use people who enjoy the challenge of scheduling? Prefer to work from home. We have multiple opportunities for people to help by sending emails, writing articles, etc. If you are interested, email Kyle at: [president@newadventures.info](mailto:president@newadventures.info). She will be more than happy to get in touch with you!
